THE PRISON MINYAN BY JONATHAN STONE

A crew of fraudsters, tax evaders, trigamists and forgers discuss matters of right and wrong in a Talmudic study and prayer group, or 'minyan', led by a rabbi who's a fellow convict.

Welcome to Otisville, America's only Jewish prison.

There's a kosher deli and a Talmudic study group made up of forgers, tax evaders and fraudsters.

They secretly quite like the place . . . until a celebrity convict arrives to shatter the peace.

'There are crimes a-plenty within the prison walls... but Stone is after something more diffuse and philosophical. *The Prison Minyan* occupies terrain few others will explore'
